

950 3rd Street Oakland, CA 94507

Your Source for Parker Seals, Gaskets, and Rubber Products

Contact: (510) 836-2449
(800) 632-7264

Premier Distributor of Parker O-Rings, Parker Seals and Parker Products

www.darcoid.com

O-Rings

- AS568 O-Rings
- Metric, JIS, ISO, BS O-Rings
- Back-Up O-Rings
- 3-A Sanitary O-Rings
- Hygienic O-Rings
- Teflon (PTFE) Coated
- Encapsulated O-Rings
- MIL-Spec, AMS, NAS
- NSF51, NSF61, UL Listed
- O-Ring Kits
- Spliced & Vulcanized
- Semiconductor O-Rings
- Specialty O-Rings
- UHP O-Rings
- Vacuum Seals

Dynamic Seals

- Back-Up Rings
- FlexiSeals
- Hydraulic Seals
- Pneumatic Seals
- Piston Seals
- Polypaks
- PTFE Seals
- Rod Seals
- Oil Seals
- Rotary Shaft Seals
- T-Seals
- U-Cups
- V-Pack
- Wear Rings & Bearings
- Wipers & Scrapers

Semiconductor Seals

- Chemically Bonded Seals
- CMP Retainer Rings
- Customer Engineered Seals
- KF Centering Rings
- Metal Seals
- O-Rings
- Perfluorinated (FFKM) Seals
- Spliced & Vulcanized
- Semiconductor O-Rings
- Spring Energized Seals
- UHP O-Rings & Seals
- Vacuum Seals
- Kalrez, Chemraz, Simrit, Perlast
- Parofluor, Parofluor ULTRA

Composite Seals

- Access Door Seals
- Fastener & Fitting Seals
- Integral Seals
- Stat-O-Seals
- Gask-O-Seal
- Lock-O-Seal
- Metal Seals
- Thredseal

Gaskets

- Sensor Seals
- Bi-Laminate Seals
- Die & Water Jet Cut gaskets
- Lathe Cut Gaskets
- Press-in-place Seals
- Square Cut gaskets
- Specialty Lathe Cut profiles

Sanitary & Hygienic Seals

- Biological Indicators
- Controlled Compression Gaskets
- Laser Engraved Seals
- Metal Detectable Elastomers
- Platinum Cured Silicones
- Sanitary & Screen Hygienic Seals
- Smart Gaskets
- Torque Rite, Tuf-Flex & Tuf-Steel

EMI / Thermal Products

- Adhesives, Sealants
- Conductive Compounds
- Conductive Elastomer Gaskets
- Conductive Tapes & laminates
- Conductive Grounding Tabs
- Metal EMI products
- O-Rings & D-Rings
- Shielded Windows
- Shielded EMI Vents
- Thermal Grease & Gap fillers
- Wave Guides
- Wire Mesh Gaskets

Molded Shapes

- Balls
- Bellows
- Bumpers & boots
- Custom Shapes
- Diaphragms
- Diamond Seals
- Drop-In-Place Seals
- Grommets, Plugs, Bushings
- H-Seals
- Over Molded
- Press-In-Place Seals
- Quad Rings

Medical Components

- Flashless Organics & Silicones
- Insert & Over-molding
- Liquid Silicone Molding
- Medical Device Assembly
- Medical Grade Extrusions
- Organic Rubber Molding
- Packaging
- Printing
- Sterilization
- Silicone Medical Devices
- Thermoplastic Molding
- TPE Injection Molding

“A Seal is inexpensive until it fails”

Adhesives & Sealants

- Instant Adhesives (IA)
- Retainer Adhesives (RC)
- Thread locker Adhesives (TL)
- Flange & Thread Sealants
- Surface Treatment Activators
- Conductive Adhesives
- Conductive Sealants
- Conductive Coatings

Extruded Products

- Custom Extruded Profiles
- D-Ring Seals
- Extruded Short Lip Seals
- Hollow Spliced O-Rings
- Low closure force Seals
- Omega Seals
- Packer Elements
- Hollow D Picture Frame

Sheet, Sponge & Roll Stock

- Closed Cell Sponge
- Open Cell Sponge
- Rubber Sheets & Rolls
- Cloth Inserted Sheets
- MIL-Spec Sheets & Rolls
- Elastomeric Pads
- PSA backed Rubber Sheets
- Specialty Sheets

Compounds Offered

- Polyacrylate (ACM)
- Ethylene Acrylate (AEM)
- Buna-N (Nitrile, NBR)
- Butyl Rubber (IIR)
- Chloroprene (CR)
- Ethylene Propylene (EPDM)
- Fluorosilicone (FMVQ)
- Hydrogenated Nitrile (HNBR)
- Polyurethane (AU, EU)
- Silicone (VMQ, PVMQ)
- Fluorocarbon (FKM, FPM)
- Aflas
- Highly Fluorinated (Hifluor)
- Parofluor & Parofluor ULTRA
- Kalrez, Chemraz, Simrit
- Others

Specialty Products

- MIL-Spec
- AMS & NAS Spec
- Clean Room Products
- FDA
- NSF 51 Approved
- NSF 61 Approved
- WRAS
- KTW
- NORSOK Approved
- ROHS Compliance
- UL Listed
- USDA Approved
- USP Class VI
- Ultra High Purity (UHP)

Value Added Programs

- First Articles
- Level 3 PPAP's
- APQP
- Certified Parts Program
- Compound Validation
- Stock to Dock
- Kanban
- Breadman
- VMI
- Stocking Agreements
- Seal Design Consulting
- Finite Element Analysis (FEA)
